ARIZONA DEPARTMENT OF WATER RESOURCES

Governor

Director

Dear Groundwater Right Owner:

Enclosed is your Annual Water Withdrawal and Use Report form for calendar year 2007. This form is printed on the reverse side of this letter. This report form is for those right holders having Type 2 non-irrigation grandfathered rights or groundwater permits totaling ten acre-feet or less. The Department has preprinted certain information from our records onto this form. If any of the preprinted information is incorrect, please make the necessary changes. Please note that a separate annual report must be filed for each right you own. [Separate checks should be enclosed to cover the fees associated with each right and the right number should be written on the front of the check.](#)

The Groundwater Code requires that each person who owns or leases a right to withdraw groundwater in an Active Management Area, or who withdraws water from a well in the Santa Cruz Active Management Area, must file an annual report, even if no groundwater was used. Persons who did not withdraw water during 2007 are required to return the form with zeros in Part IV, estimate of water withdrawn. If no water was withdrawn no withdrawal fee is due as shown in Part I. [If any amount of water was withdrawn, the entire amount of the right or permit must be used to calculate fees in Part I.](#)

[Reports must be received by the Department or postmarked no later than March 31, 2008.](#) The penalty for filing late is \$25.00 per month or part of a month that the report is late up to \$150.00. In addition, if you withdrew water, other than stored water, withdrawn from a well, and did not pay the fee on time or did not pay the proper fee, the penalty is 10% of the unpaid fee per month or part of a month that the fees are delinquent, up to a maximum of 60% of the unpaid balance. In addition, after six months, the Department may take further enforcement action for failure to file an Annual Report, including seeking civil penalties in an amount not less than \$250.00.

If your water right has been sold, both the buyer and seller are responsible for notifying the Department of the conveyance. [The owner of the right as of December 31, 2007 is responsible for filing an annual report covering the entire calendar year.](#) Please contact your AMA office for conveyance forms and instructions.

We have tried to provide you with the proper form according to information in our files. The law does specify, however, that failure to receive the proper forms does not relieve a person of the responsibility of keeping the required records or filing the required reports. You may want to copy this report for your records.

If you need help or have questions, contact your AMA office listed at the top of your report form.
